

Today's Forum: Peace Church Speed Friending!

After our first round of 1:1 conversations, we are eager for a chance to connect with one another. Come for 4 10-minute conversations (a little less speedy than typical!) with fellow churchgoers, organized around questions to help you build trust and get to know each other.

LGBTQIA2S Meeting

LGBTQIA2S members and friends of Peace Church are invited to an informal meet-up on Wednesday, March 26th at 5:30pm. Living out and proud sometimes comes with a unique set of challenges and we want to offer space to connect and support one another. If you identify as part of the LGBTQIA / Two Spirit community, please plan to attend. Laurie Creilly, the Peace Pastoral Care Chaplain, will be facilitating the discussion and offering pastoral support. Come early for our soup dinner at 5pm. Childcare is available.

Apt. or room for rent?

The Afghan Welcome Circle is still looking for a single apartment or room for rent (admittedly, below market value) for someone just beginning employment. Needs to be near a bus line. Contact Charlotte Frantz for more information (clf.frantz@gmail.com).

Bible Study: Wednesdays from 5:45-6:45pm in the Fireside Room through April 9th

Pastor Corinne will lead the Bible Study in this season, using the *Everything In Between* devotional books to explore the coming Sunday's scripture reading. We will use the art and poetry in the devotional books to deepen our conversations, and in each session, we will reflect on the binary being explored that week and place ourselves somewhere on the spectrum before and after our conversation.

March 30th Forum: Braver Angels

Braver Angels is a volunteer led organization founded in 2016 and devoted to supporting bipartisan conversations that lead the participants to deeper understanding of each other. During the March 30th forum, Mary Adams and Alan Finifrack, members of a local Braver Angels Alliance, will outline the various workshops, forums, and projects that Braver Angels provides and engages in to meet their mission.

Food Hospitality Team

With a variety of upcoming food related events, Melissa Boyle of Food and Fellowship would like to get a better sense of the number of people with special diets and how well we are doing making sure everyone feels included. If that's you or someone in your family, please send a quick email to Bri in the office (office@peaceucc.org). What is your special diet or food needs? Vegetarian? Vegan? Gluten free? No nuts? No eggs? Something else? How well are we doing at labeling potential allergens? What suggestions do you have? We want everyone to feel welcome at our food related events.
