

**Rental Wing Move-In**

We're happy to inform you that LSS has moved in as of January 21<sup>st</sup>! There are still several items on the [Target gift registry](#) if folks are interested in supporting this new endeavor in that way. We will also keep you posted on volunteer learning and engaging opportunities once everyone is settled in. Keep an eye on the weekly email and future Peace Bells for this information. Please directly reach out to Corinne ([corinne@peaceucc.org](mailto:corinne@peaceucc.org)) or Rachel ([rachel@peaceucc.org](mailto:rachel@peaceucc.org)) with any questions or concerns regarding LSS or the rental wing

**New Security System**

Duluth Technology Systems is finishing the installation of our new security cameras and door access keypads. Starting January 28<sup>th</sup>, the entrances to the church will be locked as often as possible for the safety of our staff and people in the building. We understand this is a big change and may feel like a change in attitude from our usual open-door policy. The doors will continue to be open as normal on Sunday mornings and Wednesday evenings, as well as for large events. However, if you're visiting the church during the week, you will need to use a code (5683) or ring the doorbell to be let in. If you have any questions, please reach out to [rachel@peaceucc.org](mailto:rachel@peaceucc.org) or call the office.
